

CAPABILITY STATEMENT 2017

Cluain Barron Construction

COMPANY OVERVIEW

Founded in 2012 CBC was established to provide quality construction services to the civil and resources sectors in WA.

We are passionate about the wellbeing of all employees and providing a quality service to our clients. We are also committed to the highest levels of safety, customer satisfaction and quality assurance required in our industry.

Our highly experienced team are committed to delivering projects on time and on budget and at the same time conducting ourselves with a high level of professionalism and integrity.

OUR PEOPLE

CBC recognizes that our people are our most important asset. Therefore we are committed to the ongoing training and development of our people. This is paramount to ensuring the delivery of the works we undertake. To ensure this quality we invest in our workforce through comprehensive training which meets the requirements of the construction industry here in Australia.

OPERATIONS MANAGER

HUGH McPARLANE- Hugh has been involved in the construction industry in Ireland, UK and Australia for 30 years.

Hugh is self-driven and has a clear focus on quality. Hugh oversees all project development and is directly involved with company management. He liaises with clients and construction staff as well as the recruitment of employees.

CAPABILITIES

CBC recognizes that to have continual success in the construction industry projects have to be completed safely, on budget and to a high standard. With these factors in mind we have the following expertise in mind.

1. Construction

CBC has gained experience in different aspects of the construction industry in the civil markets and the resource sector.

Our highly experienced team on site are supported by a management expertise that facilitates safely and timely completion of projects.

2. Resource Management

Maintaining a current inventory of all resources allows CBC to be prepared for mobilization when required.

We have the loyalty and satisfaction of our workforce. We encourage diversity, team spirit, cohesiveness which in turn provides job satisfaction.

3. Financial

Our financial advisor brings a level of professionalism to CBC which ensures that accurate and current financial records support our operations.

4. OH&S

The health, safety and wellbeing of our workforce, sub-contractors, clients and visitors is of paramount importance to CBC. Current training and experience are crucial in maintaining a safe working environment. All projects are supported by CBC's OHS manual, OHS procedures, OHS policy, SWMS. All of which has kept CBC incident free since its establishment.

5. Environment

CBC is committed to a clean, health and ecologically sustainable environment. As such CBC recognizes its responsibility to conduct its operations in a way that will reduce the impact that we have on the environment.

It is the responsibility of all CBC staff to ensure that these goals are achieved by complying with rules and standards. We strive continually to improve our environmental management through a process of auditing, review and revision.
